.....  
Susana Ruiz de Castroviejo  
Operations Manager

**Date: 14<sup>th</sup> July 2022**

**IMPORTANT:** The performance of many sports and recreation surfacing products can be influenced by changes to their thickness, density and other properties and by the manner in which they are installed. The sample was tested in the "as received" condition loose laid over a concrete floor. Reference should always be made to the Laboratory Report relating to this Certificate, to ensure relevance to the intended situation. The Laboratory Report to which this Certificate relates is numbered:

**AS-0601/2 dated 14<sup>th</sup> July 2022**
