

SILICA SAND

## Technical Sales Manager (Horticulture)

Bathgate Silica Sand Ltd has been established for over 100 years and is a leading producer and supplier of high-quality products into a number of different markets throughout the UK.

Due to continued expansion of our Bathgate Horticulture product range, an exciting opportunity has arisen for an experienced individual to join the Bathgate team. The ideal candidate must be highly motivated, have the ability to work well unsupervised, and will concentrate on new/current business for our Horticultural range.

Essential qualifications and experience;

- Excellent verbal and IT skills.
- Sales experience (Preferably in the Horticultural Industry).
- Attention to detail and an ability to multi-task.
- Good level of qualifications.
- Good level of numeracy.

This role is in support of an existing office-based sales team, and is field orientated. Excellent knowledge of the retail and professional horticultural market would be a distinct advantage.

Salary is negotiable depending on experience, but will include the use of a company vehicle and other additional benefits.
